

CERAMI'MOCHI

PASTE-TO-MILK EMULSION

013.V10

BODY

GP2025INCOS

ISO 16128

OVERVIEW

Discover our mochi paste beads, a playful new galenic transforming to a body milk to moisturize and create a powdery smooth film on your skin. These beads consist in a nourishing combination of Neossance™ Squalane, Virgin Prunus Oil and JD Jojoba Butter V to deeply nourish your skin, while Sabocare® P6OL allows for emulsification when rubbed with water in your palms. HyalWax and Rice Bran Ceramilar enhance skin hydration and reinforce the skin barrier. Cekol® 2000 A brings a very thin consistency creating the milky sensation, while the combination of Natrasorb® Bath and Amaze® Nordic Barley gives the perfect absorption ratio to obtain a moldable paste texture. ImerCare® 2K adds outstanding smoothness to the after feel, while ImerCare® MicaSilk brings the perfect balance between smoothness and absorption.
