

COLOR GLOW

Tinted Glow Serum
FR24Q3.COLORGLOW

FACE

FR24Q3

OVERVIEW

Embrace the “healthy glow” effect with Color Glow tinted serum. Designed to provide natural coverage and a second-skin effect, its light texture is achieved by combining the multifunctional emulsifier Pellicer™ LB-30G and Harmonie™ Soft Fluid, a 70% naturally derived emollient, an alternative to volatile silicones. Enriched with the active emollient, Sabosoft NSIL MB, it contributes over the long term to improving complexion radiance.

Phase	Trade Name	Supplier	European I.N.C.I. Name	Function	%
A	Demineralized water	/	Aqua	/	56,05
	Barley BioPhytWater	GREENPHYT*	Hordeum Vulgare Seed Water, Citric acid, Sodium Benzoate, Potassium Sorbate	Hydrolat	10,00
