

Erase Me If You Can

CLEANSING BALM IN CREAM

OVERVIEW

As part of the 'DOUBLE MAKE-UP REMOVAL' mission, our make-up remover, ERASE ME IF YOU CAN, removes lipstick, foundation and mascara without leaving a trace! Its balm-in-cream texture is enriched with jojoba oil and squalane, an infallible duo that protects the skin barrier. Thanks to sumac wax combined with kokum butter and Saboderm MLC, this creamy paste melts on application. When it meets water, it transforms incognito into a milky foam, which evaporates when rinsed off, taking all traces of make-up with it.
