

FLASH RESTORE

MOISTURIZING & REPAIRING SHAMPOO
FOR DRY HAIR
FR24Q2.FLASHRESTORE

OVERVIEW

FLASH RESTORE restores strength and softness to tired hair. Thanks to the combination of a moisturizing complex with repairing oat peptides, this shampoo repairs and reduces brittle hair. A combination of mild surfactants gently cleanses and respects the scalp. Thanks to its rinse-resistant conditioning power, this shampoo with a gelled pink texture, delicately pearly, makes hair easier to detangle.
