

GLOW OUT

EXFOLIATING TONER SAUK_281_B

OVERVIEW:

This toner delivers a refined blend of gentle yet potent actives that align seamlessly with Korean skincare's focus on hydration, radiance and skin resilience. At its base a 90% water phase infused with ElfaMoist® AC, a cutting-edge humectant that mimics the skin's natural hydration mechanism for long-lasting moisture. This formula is boosted with Actipone® Alpha Cranberry CA, a botanical extract super rich in antioxidants and fruit acids that help brighten, purify and gently exfoliate the skin. BabyColla is a flower extract which reduces the signs and aging and boosts collagen density. Nipaguard® PE 9010 provides product protection. Prestige® Gold Glow is the gold mica providing the aesthetically pleasing look.

Phase	Trade Name	Supplier	European I.N.C.I. Name	Function	%
A	Deionised Water	-	Aqua	Solvent	90.09
	Safic' Care T XGT 80	SAFIC ALCAN	Xanthan Gum	Rheology Modifier	0.10
