

# SHINING LINES

BEAUTIFYING BODY CREAM

FR24Q3.SHININGLINES

## OVERVIEW

Formulated with Luxamul®, a multifunctional emulsifier of natural origin, this nourishing body cream has a gel-cream texture that feels fresh on application. Enriched with Jojoba oil and ceramides, Shining Lines helps to improve hydration and strengthen the skin's barrier. A duo of touch-up powders gives a soft, light finish, while slightly blurring small (im)perfections, highlighted with Prestige® Autumn Sky.
