OVERVIEW

Discover our 100% natural primer with its amazing texture! Based on Harmonie™ NatuVel Gel, a naturally-derived high performance elastomer gel, this cold-processable & water-free primer features a matte & cushiony texture with soft focus, blurring & mattifying benefits. To get a long-lasting effect you can count on SolAmaze® Natural, a bio-based & biodegradable film-forming polymer. This primer also features NovoRetin™ O, a plant-based retinol alternative providing anti-aging effect, and Commipheroline®, a plumping active. The combination of Harmonie™ Luxe 4 Powder and Tapioca Pure brings oil absorption & a great powdery finish.
