

# VELVET MOUSSE

SOFT AND LIGHT FOUNDATION

2298.1

FACE

IT2024INCOS

## OVERVIEW

Discover this mousse texture foundation structured with a blend of Synthetic Wax LHC 90, Performa™ SW 76, and Synthetic Wax LB 82. Featuring various pigments for coverage, this foundation applies homogeneously on the skin thanks to Eastman Sustane™ SAIB Food Grade. A very soft after-feel and innovative texture is made through Harmonie™ ingredients. The pigments are suspended through Bentone® Plus Glow and Bentone Gel® ISD V. This formula also has soothing properties through Omegablue®, making it the perfect light foundation for your skin.

Phase	Trade Name	Supplier	European I.N.C.I. Name	Function	%
A	Synthetic Wax LHC 90	INA TRADING*	Synthetic Wax	Structuring agent	6,00

## OVERVIEW

Discover this mousse texture foundation structured with a blend of Synthetic Wax LHC 90, Performa™ SW 76, and Synthetic Wax LB 82. Featuring various pigments for coverage, this foundation applies homogeneously on the skin thanks to Eastman Sustane™ SAIB Food Grade. A very soft after-feel and innovative texture is made through Harmonie™ ingredients. The pigments are suspended through Bentone® Plus Glow and Bentone Gel® ISD V. This formula also has soothing properties through Omegablue®, making it the perfect light foundation for your skin.

## PROCESS

**PHASE A :** Melt at 100°C till homogeneity and then let cool down to 85°C.

**PHASE B :** Melt at 85°C and add to phase A ; mix till homogeneity.

**PHASE C :** Mix with a proper quantity of the phase AB and refine. Then heat phase ABC to 85°C.

**PHASE D :** Add to phase ABC till homogeneity.

**PHASE E :** Homogenize, heat to 85°C then add to phase ABCD and mix under vacuum.

**PHASE F :** Add to phase ABCDE and homogenize; then mix at 85°C under vacuum.

**PHASE G :** Add to phase ABCDEF at 75°C mixing under vacuum.

**PHASE H :** Add to phase ABCDEFG at 75°C mixing under vacuum. Cool down under mixing and under vacuum.

## PROPERTIES

**APPEARANCE :** Beige mousse.

**VISCOSITY :** N/C.

**pH :** N/A.
